

EUROPEAN CITIES AGAINST DRUGS

5th REGIONAL CONFERENCE

ECAD BALKAN NETWORK CONFERENCE

Welcome to Sarajevo

Dear friends,

Municipality Novi Grad Sarajevo has the pleasure of inviting you to participate in 5th ECAD Regional Conference. This Conference is going to take place in Sarajevo on the 15 –17 of November 2007.

The Conference is going to have a great importance for Municipality Novi Grad Sarajevo in its effort to practice, by its own strengths and with very limited budget, active local policy aiming to eradicate drug abuse. We also hope that this occasion would have a positive influence on politicians on the state level to accelerate the process of enacting the State Action Plan for this problem, as a precondition in practicing the Strategy that was adopted before.

Additionally, the Conference is going to give us an opportunity for exchanging experiences, especially in implementation area in all countries from the Region.

By organizing the Conference we have intention to improve the systematic approach to this topic in other local communities in Bosnia and Herzegovina, expecting that they would start with their own prevention program, with final ambition to build the network of all local communities that would surely improve the efficiency of treating this problem in Bosnia and Herzegovina.

We are looking forward to welcoming your delegations.

Yours sincerely,

Damir HADŽIĆ
Mayor of Municipality Novi Grad Sarajevo
