May 19-20, 2014 the City of Stockholm is hosting ECAD Mayor's Conference, the 21st since its start, with hundreds of high-level representatives from governments, local councils, the public sector, civil society and researchers from all over Europe.

At the same time, **World Federation Against Drugs** will arrange its fourth World Forum Against Drugs, and the two Conferences will partly be coordinated. Altogether, this will be an impressive and powerful manifestation for the UN Conventions on illicit drugs, and against legalisation of drugs.

It is with great pleasure that we invite you to the Mayor's Conference 2014 and we wish you many educating, interesting, successful, pleasurable and special moments during your visit to Stockholm.
