

EUROPEAN CITIES AGAINST DRUGS
Nätverket
Svenska kommuner mot narkotika

”Drug Prevention at the local level- the Swedish Experience”.
WFAD World Forum Against Drugs September 8-10 Stockholm.

The ECAD Sweden Network gives you an opportunity to study local drug prevention work. The two cities of Örebro and Gävle outside Stockholm offers the participants of WFAD a possibility to study local prevention work and treatment in smaller cities. The visits are free of charge and will take place on September 11 between 8-18 (travel, lunch included).
